\*To be eligible, your loan may not be a Visa credit card, secured by real estate, or a mobile home, have a term over 96 months or be opened less than 90 days. Two Skip-A-Pay per qualifying loan are allowed per calendar year and both monthly payments may not be skipped back-to-back in consecutive months; this includes Summer & Holiday Skip-A-Pay. To Skip-A-Pay (Skip) you must pay the mandatory fee as stated in the terms of this letter, on/before your scheduled payment is to be skipped. The processing fee on all payments skipped is considered a FINANCE CHARGE as the overall cost of borrowing the money will increase. Interest will continue to accrue during the skipped period. Normal payments resume the month following the skipped payment. Skipping a payment may extend the term of the loan. On the final payment due date, all outstanding principal and interest must be paid. Skipping a payment modifies the loan contract between the borrower(s) and Progressions Credit Union. **Please note, skipping a loan payment may affect any Guaranteed Asset Protection (GAP) Claim made under any GAP policy in force protecting your loan. Your claim amount may be reduced due to the Skip-A-Pay. By agreeing to the Skip-A-Pay, you understand and accept any impact to your GAP coverage. Inquire with the GAP provider directly with any concerns.** To qualify for this offer, the member must be in good-standing on all accounts and loans (cannot be more than 5 days past due on any loan with the credit union). The skipped loan may not be classified as a workout or troubled debt restructure. Loans must have had at least one payment made. Loans may not be involved in a bankruptcy or in a consumer debt counseling program. Offer is valid October 15, 2022 and expires December 31, 2022. Other restrictions may apply. This offer is non-transferrable. Skip-A-Pay are subject to credit union approval. **All parties to the loan including any cosigner/guarantors must sign this agreement.**
